# OI HOCKEY STADIUM, 2020 TOKYO OLYMPICS

**LOCATION:** Tokyo, Japan  
**WE MAKE SPORT. GREENER:**

Poligras Tokyo GT turf was made from 60% sugar cane and required one-third of the water that is normally used for Olympic hockey pitches.

## COFFS COAST REGIONAL SPORTS HUB

**LOCATION:** NSW, Australia  
**WE MAKE SPORT. A DESTINATION:**

Polytan installed two new FIFA certified multi-use football fields, as part of a \$14m upgrade to the Coffs Harbour Regional Sports Hub. The world-class facility will boost the local tourism industry by bringing bigger and better events to the region.

## BRIDGESTONE ATHLETICS TRACK

**LOCATION:** SA, Australia  
**WE MAKE SPORT. INCLUSIVE:**

Polytan was proud to support Bridgestone's commitment to creating a more inclusive and sustainable society through the development of the Bridgestone Athletics Track. Installed using 50 tonnes of recycled tyres, the all abilities track is designed to inspire the next generation of athletes.

## DORSET RESERVE

**LOCATION:** VIC, Australia  
**WE MAKE SPORT. HARMONIOUS:**

Dorset Reserve is a great example of how natural and artificial turf can work in harmony to deliver the ultimate sports precinct. The Polytan-designed and constructed project included a football pitch using the LigaTurf HB250 system, two Poligras Eco HT multipurpose volleyball / futsal courts and a natural grass turf pitch with irrigation and sub-surface drainage.
